**NOW, THEREFORE LESSOR AND LESSEE AGREE** that the Lease is hereby extended pursuant to AS 36.30.083 and amended pursuant to Legislative Procurement Procedure sec. 040(d) as follows:

Lessor and Lessee further agree that only those sections specifically addressed in this Extension of Lease and Lease Amendment shall be considered amended. All other sections of the original Lease shall not be affected.

**Sec. 1 of the Lease is amended to read as follows:**

1.1 **DESCRIPTION OF PREMISES; LEASE TERM; MONTHLY LEASE RATES.**

- a. The Lessor hereby leases to the Lessee and the Lessee hereby leases from the Lessor the Premises described below:

All space within the office building, all space within the parking garage, and all real property located at 716 West 4<sup>th</sup> Avenue in Anchorage, Alaska further described as Lot 3A, Block 40, of the Original Townsite of Anchorage, according to the official plat thereof, Third Judicial District, State of Alaska; and all space located within the building and all real property located at 712 West Fourth

Avenue in Anchorage, Alaska further described as Lot 2 W 39.5' Block 40 Original Townsite of Anchorage.

The Premises include approximately 64,000 gross square feet of building space and approximately \_\_\_\_\_ off-street parking spaces.

b. The term of this Extension of Lease and Lease Amendment begins the date it is signed by both parties (the Effective Date) and ends ten (10) years following the Effective Date unless extended by mutual agreement as provided in Section\_\_\_\_\_ of this Agreement.

c. Base Monthly Rental

On the Effective Date the Base Monthly Rental shall be \$\_\_\_\_\_.

For the period from June 1, 2014 through January 1, 2015, while the Premises are being renovated and up through the date the Lessee takes final acceptance and occupancy (defined as the time the Municipality of Anchorage has issued a certificate of occupancy and the Lessee has agreed to take occupancy) of the Premises (the Renovation Period) the Lessor will provide the Lessee with interim office space and parking (Interim Space). During the Renovation Period and while the Lessee is occupying the Interim Space, the Base Monthly Rental will be reduced to the lesser of the amounts that follow:

1. To an amount equivalent to the actual costs the Lessor incurs in providing the Lessee with the Interim Space during the Renovation Period, including all costs of moving the Lessee to and from different space throughout the Renovation Period; or
2. The Base Monthly Rental rate paid on May 1, 2014 per the provisions of Renewal of Lease Number 5.
3. Notwithstanding Option #1 and Option #2 above; the Lessee shall not pay rent in any amount for the portion of the Premises located at either 712 W 4<sup>th</sup> Avenue or 716 W. 4<sup>th</sup> Avenue if the Lessee is not occupying space in the respective building and the Monthly Base Rent shall be adjusted accordingly.

d. Base Monthly Rental Adjustments

The Base Monthly Rental shall be adjusted on July 1 of each year; beginning on July 1, 2016. The adjustment shall be \_\_\_\_\_% over the amount of the Base Monthly Rental rate paid on June 1 of the applicable year. (Note: an alternative to be discussed between the parties might include defining the fixed amount of rent for each year of the Lease without reference to any change based upon a percentage or other factor.)

e. Monthly Lease Payments

The monthly lease payments are due and payable on the 1<sup>st</sup> day of each month. Payments will be made as agreed between the Lessee and Lessor.

1.2. **AS 36.30.083(g) COST SAVINGS.**

The Base Monthly Rental rate paid for the Premises on the Effective Date has been determined to be at least ten (10) percent less than the market value for similar space in downtown Anchorage, Alaska. Supporting documentation is attached as Exhibit D (Executive Director's Cost Saving Calculation and Report to Auditor \_\_\_\_\_ AS 36.38.083(b)).

Under AS 36.30.083(a), neither advance appropriation nor any other legislative approval of this Lease is legally required. In addition to any other right of the Lessee under this Lease to terminate the Lease, if, in the judgment of the Legislative Affairs Agency Executive Director, sufficient funds are not appropriated in an amount adequate to pay the then annual lease payments and expenses, the Lease will be terminated by the Lessee as of the date appropriated funds are exhausted, or will be amended by mutual agreement of the Parties. To terminate under this section, the Lessee shall provide not less than 90 days advance written notice of the termination to the Lessor.

**Sec. 2 of the Lease is amended to read as follows::**

2. **ADA COMPLIANCE:** On the date of final acceptance and occupancy and throughout the entire occupancy of the Lease, the Lessor shall ensure that the Premises, and any improvements or alterations to the Premises, and all accessible routes shall meet the specifications of the ADA Accessibility Guidelines (ADAAG) for Public Buildings and Facilities per Title II of the Americans with Disabilities Act (ADA), as currently written and as they may be subsequently amended (hereafter referred to as ADA compliance).

Under the previous paragraph, the Premises, and any improvements or alterations to the Premises, and all accessible routes, must meet the ADA compliance requirements as they apply to a public entity.

The Lessee's acceptance of the Premises or of any improvements or alterations to the Premises, or any inspection of the Premises by the Lessee, do not relieve the Lessor of its responsibility for ADA compliance.

If these provisions on ADA compliance conflict with another provision in the Lease, the provisions of this section shall govern.

Prior to the date of final acceptance and occupancy, the Lessor, at its own expense, must furnish the Lessee with an ADA Facility Audit Report prepared by an architect registered to practice in the State of Alaska certifying that the Premises comply with all requirements of the current version of the ADA and this section.

**Sec. 3 of the Lease is amended to read as follows::**

3. **RENOVATION AND DELIVERY OF PREMISES.** The Lessor agrees to renovate the Premises consistent with the provisions of Exhibit "A", Exhibit "B", and applicable law.

Exhibit "A" and Exhibit "B" describe all terms and conditions of the renovations to be completed by the Lessor and incorporate the drawings, schematics, deliverables, and schedule of work for the same.

The Lessee shall pay \$5,000,000 to Lessor, upon final acceptance and occupancy, in the form of a lump sum payment toward the cost of the renovation of the Premises. The balance of the renovation costs, if any, will be amortized over the term of the Lease.

The Lessee is responsible for the acquisition of and installation of its own furniture, fixtures and equipment and shall schedule the same in a manner that does not conflict with the progress of the renovation work.

4. The Lease shall be what is described as a "triple net lease".

If such temporary auxiliary equipment is necessary to meet normal weather contingencies for more than 21 consecutive working days, the Lessor shall, not later than the 21st working day, initiate a continuing and diligently applied effort to rectify the deficiency causing the failure in order to uniformly maintain the temperature range required. If after 42 consecutive working days the temporary auxiliary equipment is still necessary to meet normal weather contingencies, the Lessee shall be free to hold the Lessor in default, it being considered that the Lessee has proffered a reasonable amount of time for the Lessor to effect suitable modification or repair to the building in order to maintain the specified temperature range without resort to temporary auxiliary devices. Any revenue rates for public parking shall be as determined by Lessee and any collected revenue for public parking shall be the property of the Lessee or its vendors as Lessee may so choose. Lessee shall direct the initial signage installation requirements for the parking areas which

Lessor shall install as provided in Exhibit "A" and Exhibit "B". Thereafter the Lessee shall be responsible for signage installation, maintenance and changes.

**Sec. 16 of the Lease is amended to read as follows::**

16. **FIRE PREVENTION:** The Lessor shall ensure that the Premises are at all times compliant with local fire code or other authority and shall inspect and maintain all fire suppression equipment and systems as necessary. The Lessee shall maintain the premises in keeping with good housekeeping and fire prevention practices. 21. **SIGNS:** The installation of signage as part of the renovation is described in Exhibit "A" and Exhibit "B". After renovation is complete, Lessee reserves the right to erect or affix signs at the Premises so long as such installation does not cause damage to the roof, elevators or structural components of the buildings. The placement of signs at or upon the Premises requires the advance approval of the Lessor.

**Sec. 22 of the Lease is amended to read as follows::**

22. **ELEVATORS**: The Lessor shall ensure that all floors of the Premises under this Lease are served by elevators that comply with the current applicable editions of the rules, regulations and codes of the State and the Municipality of Anchorage. **Sec. 23 of the Lease is amended to read as follows::**

23. **RENOVATION AFTER FINAL ACCEPTANCE OF PREMISES BY LESSEE**: After final acceptance and occupancy, at the reasonable request of the Lessee, the Lessor shall renovate the Premises at Lessee's expense by refinishing all damaged or worn walls, ceilings, floors, or built-in fixtures or replacing damaged or worn wall, floor, or window coverings and paint that are not the responsibility of Lessor. For any renovation, the Lessee reserves the right to make on-site inspections and to determine if and when the renovation is complete and satisfactory. The Lessee reserves the right to work with the Lessor on selecting colors and finishes. If the Lessor does not perform a renovation requested by the Lessee that is allowed by this sec. 23 ("Renovation"), the failure to respond is a default under sec. 32 ("Remedies on Default").

**Sec. 24 of the Lease is amended to read as follows::**

24. **WAGE-RELATED REQUIREMENTS**: If construction, alteration, repair, renovation, or redecorating work by the Lessor that is over \$25,000 is required in order for the Premises to be ready for occupancy or if work that is over \$25,000 is performed by Lessor, that directly relates to the Lessee's Premises, while the Lessee is occupying the Premises, the Lessor is advised that the Lease will be considered by the Lessee to be subject to the minimum wage and other requirements of AS 36.05.010 - 36.05.110; the current minimum wages for various classes of laborers, mechanics, and field surveyors (as these terms are defined in AS 36.95.010) and the rate of wages paid during the contract must be adjusted to the wage rate indicated under AS 36.05.010; the Lessor and Lessor's contractors must pay all employees unconditionally and not less than once a week; the scale of wages must be posted in a prominent and easily accessible place at the site of the work; the Lessee shall withhold as much of its payments under this Lease as necessary to pay to laborers, mechanics, and field surveyors employed by the Lessor or the Lessor's contractors the difference between (A) the rates of wages required by the contract to be paid laborers, mechanics, or field surveyors on the work, and (B) the rates of wages in fact received by the laborers, mechanics, or field surveyors that are less than the required wages. The Lessor is encouraged to contact the Department of Labor and Workforce Development for more information about these and other related requirements.

If it is found that a laborer, mechanic, or field surveyor employed by the Lessor or the Lessor's contractor has been or is being paid a rate of wages less than the rate of wages required by the Lease to be paid, the Lessee may, by written notice to the Lessor,

terminate the Lessor's right to proceed with the work or the part of the work for which there is a failure to pay the required wages and to prosecute the work to completion by contract or otherwise, and the Lessor and the Lessor's sureties are liable to the Lessee for excess costs for completing the work.

**Sec. 25 of the Lease is amended to read as follows::**

25. **INGRESS AND EGRESS**: All space shall be available on a 24-hour day, seven days a week basis to the Lessee and its invitees. The Lessee shall have full access to and use of all common areas of the building including elevators, lobbies, stairwells, and restrooms. The Lessor shall install and the Lessee shall maintain a security camera system which covers all of the common areas of the building but not limited to hallways, stairwells, and elevators and the upper and lower parking areas, and provide monitors for the Lessee to operate and monitor.

**Sec. 30 of the Lease is amended to read as follows::**

30. **LESSEE-INSTALLED ITEMS**: All fixtures and/or equipment of whatever nature that are installed in the Premises by the Lessee, whether permanently affixed or otherwise, shall continue to be the property of the Lessee and may be removed by the Lessee at any time, provided however, that the Lessee shall, at its own expense, repair any injury to the Premises resulting from such removal. However any conduit or wiring installed by the Lessee shall remain. Notwithstanding the foregoing, Lessee may not raze and replace the improvements or make any alterations whose cost exceeds \$5,000 without the prior written consent of the Lessor, which consent shall not be unreasonably withheld, conditioned, or delayed.

**Sec. 31 of the Lease is amended to read as follows::**

31. **RESTORATION LIABILITIES**: Lessee agrees to leave the Premises at the expiration or termination of this Lease in as good a condition as when first occupied under this Lease, except for reasonable wear and tear and loss or damage caused by fire, explosions, earthquakes, acts of God, or other casualty. At the termination of the Lease, the Lessee is not required to restore the Premises to their condition before the Lessor or Lessee made the improvements required for the Lessee to occupy the Premises under the Lease.

**Sec. 33 of the Lease is amended to read as follows::**

33. **REMEDIES ON DEFAULT:** If the Lessee shall at any time be in default in the payment of rent, or in the performance of any of the terms of the Lease and shall fail to remedy such default within thirty (30) days after written notice of the default from the Lessor, the Lessor may retake possession of the Premises by an unlawful detainer action or other lawful means, and the Lease will terminate, without prejudice, however, to the right of the Lessor to recover from the Lessee all rent due up to the time of such entry. In case of any default and entry by the Lessor, the Lessor shall relet the Premises for the remainder of the term for the highest rent obtainable and may recover from the Lessee any deficiency between the amount obtained by reletting and the rent specified by the Lease.

If the Lessor shall at any time be in default in the performance of any of the terms or obligations of the Lessor under this Lease, the Lessee may fix the problem involved and deduct the cost, including administrative costs, from the rent, if the Lessor fails to fix the problem within a reasonable time [This could raise some issues as to what exactly is a reasonable time. Could we not put in a time frame say 30/60 days which could always be extended if the performance takes longer?] after Lessee notifies the Lessor in writing of the default. If the Lessee chooses not to fix the problem or cannot fix the problem, the Lessee may deduct from the rent the Lessee's damages, which are to be determined by the Lessee's Supply Officer. When deducting damages under this sentence, "damages" means either (1) the costs (including administrative costs) of alleviating or adjusting to the problem, or (2) the diminution of the value of the Lease to the Lessee caused by the Lessor's default. Instead of pursuing the other remedies provided by this paragraph, if the Lessor fails to correct a default within a reasonable time after receiving written notification of the default from the Lessee, the Lessee may terminate the Lease by giving 30 days written notice of the termination to the Lessor and may recover damages from the Lessor. This paragraph does not apply to a situation covered by sec. 28 ("Untenantability") or to the termination allowed under sec. 20 ("Wage-Related Requirements").

**Sec. 34 of the Lease is amended to read as follows:**

34. **INDEMNIFICATION:** The Lessor shall indemnify, save harmless, and defend the Lessee, and its officers, agents and employees from liability of any nature or kind, including costs, attorney fees, and other expenses, for or on account of any and all legal actions or claims of any character whatsoever resulting from injuries or damages sustained by any person or persons or property as a result of any error, omission, or negligence, of the Lessor that occurs on or about the rental Premises or that relates to the Lessor's performance of its lease obligations.

**Sec. 35 of the Lease is amended to read as follows:**

Without limiting Lessor's indemnification, it is agreed that Lessor will purchase at its own expense and maintain in force at all times during the Lease the following policies of insurance:

The requirements contained herein, as well as Lessee's review or acceptance of insurance maintained by Lessor is not intended to, and shall not in any manner, limit or qualify the liabilities or obligations assumed by Lessor under this Lease

Insurance policies required to be maintained by Lessor will name Lessee as additional insured for all coverage except Workers' Compensation and Professional Liability/E&O insurance.

Lessor and its subcontractors agree to obtain a waiver, where applicable, of all subrogation rights against Lessee, its officers, officials, employees and volunteers for losses arising from work performed by the Lessor and its subcontractors for Lessee. However, this waiver shall be inoperative if its effect is to invalidate in any way the insurance coverage of either party.

Where specific limits are shown, it is understood that they will be the minimum acceptable limits. If the Lessor's policy contains higher limits, Lessee will be entitled to coverage to the extent of such higher limits. The coverages and/or limits required are intended to protect the primary interests of Lessee, and the Lessor agrees that in no way will the required coverages and/or limits be relied upon as a reflection of the appropriate types and limits of coverage to protect Lessor against any loss exposure whether a result of this Agreement or otherwise.

Failure to furnish satisfactory evidence of insurance or lapse of any required insurance policy is a material breach and grounds for termination of the Lease.

- a. Property Insurance: The Lessor will provide and maintain:
  - 1) Property insurance in an amount of not less than 100% of the replacement cost of the building(s) and contents, including improvements made on behalf of Lessee. Coverage shall be written on an "all risk" replacement cost basis and include an endorsement for ordinance and law coverage.
  - 2) If the property is located in a floodplain, flood insurance in an amount of not less than 100% of the replacement cost of the building(s) and contents, including improvements made on behalf of Lessee; or the maximum amount available from the National Flood Insurance Program, whichever is less.
- b. Workers' Compensation Insurance: The Lessor will provide and maintain, for all employees of the Lessor engaged in work under the Contract, Workers' Compensation Insurance as required by AS 23.30.045. The Lessor shall be responsible for ensuring that any subcontractor that directly or indirectly provides services under this Lease has Workers' Compensation Insurance for its employees. This coverage must include statutory coverage for all States in which employees are engaging in work and employer's liability protection for not less than \$100,000 per occurrence. Where applicable, coverage for all federal acts (i.e., USL & H and Jones Acts) must also be included.

- c. Commercial General Liability Insurance: The Lessor will provide and maintain Commercial General Liability Insurance with not less than \$1,000,000 per occurrence limit, and will include premises-operation, products/completed operation, broad form property damage, blanket contractual and personal injury coverage. Coverage shall not contain any endorsement(s) excluding or limiting contractual liability nor providing for cross liability.
- d. Automobile Liability Insurance: The Lessor will provide and maintain Automobile Liability Insurance covering all owned, hired and non-owned vehicles with coverage limits not less than \$1,000,000 per occurrence bodily injury and property damages. In the event Lessor does not own automobiles, Lessor agrees to maintain coverage for hired and non-owned liability which may be satisfied by endorsement to the CGL policy or by separate Business Auto Liability policy.
- e. Umbrella or Excess Liability: Lessor may satisfy the minimum liability limits required above for CGL and Business Auto under an umbrella or excess Liability policy. There is no minimum per occurrence limit under the umbrella or excess policy; however the annual aggregate limit shall not be less than the highest per occurrence limit stated above. Lessor agrees to endorse Lessee as an additional insured on the umbrella or excess policy unless the certificate of insurance states that the umbrella or excess policy provides coverage on a pure "true follow form" basis above the CGL and Business Auto policy.
- f. Professional Liability Insurance: The Lessor will provide and maintain Professional Liability Insurance covering all errors, omissions or negligent acts of the Lessor, its property managers, subcontractors or anyone directly or indirectly employed by them, made in the performance of this Lease which results in financial loss to the State. Limits required are \$500,000.
- g. Fidelity Bond: The Lessor will provide and maintain a Fidelity Bond in the amount of \$250,000 covering all acts of the Lessor, its property managers, or subcontractors who shall have access or perform work upon the Premises.
- h. Certificates of Insurance Lessor agrees to provide Lessee with certificates of insurance evidencing that all coverages, limits and endorsements as described above are in full force and effect and will remain in full force and effect as required by this Lease. Certificates shall include a minimum thirty (30) day notice to Lessee cancellation or non-renewal. The Certificate Holder address shall read:

Legislative Affairs Agency  
State Capitol, Room 3

Fax (907) ...

**Sec. 36 of the Lease is amended to read as follows:**

**Sec. 43 of the Lease is amended to read as follows:**

43. **AUTHORIZATION; CERTIFICATION:** Authority for the Chairman of Legislative Council to execute this Lease was authorized by a majority of the members of the Alaska Legislative Council at a meeting on June 7, 2013.

Funds are available in an appropriation to pay for the Lessee's monetary obligations under the Lease through June 30, 2015. The availability of funds to pay for the Lessee's monetary obligations under the Lease after June 30, 2015, is contingent upon appropriation of funds for the particular fiscal year involved. In addition to any other right of the Lessee under this Lease to terminate the Lease, if, in the judgment of the Legislative Affairs Agency Executive Director, sufficient funds are not appropriated, the Lease will be terminated by the Lessee or amended. To terminate under this section, the Lessee shall provide written notice of the termination to the Lessor. Notwithstanding the above rights to terminate the lease for non-appropriation, the Executive Director covenants that such lease payments SHALL BE included as a component of Lessee's normal annual budget request and approval process.

**The Lease is amended by adding new sections to read as follows:**

In addition, if the Lessor conducts business in, but is not headquartered in, a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report, a certified copy of the Lessor's policy against human trafficking must be submitted to the Agency prior to contract award.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <http://www.state.gov/g/tip/rls/tiprpt>.

If the Lessor is or becomes headquartered in a Tier 3 country, or fails to comply with this sec. 46 ("Human Trafficking"), the Lessee may terminate the Lease.

47. **REIMBURSEMENT** The Lessor and Lessee agree that the Lessor's sole remedy under the Lease, in the event that the 28th Alaska State Legislature does not appropriate funds necessary to pay the Lease payments under sec. 1 of the Lease for Alaska State Fiscal Year 2015 and that the Lease is terminated, is that the Lessee shall pay, subject to approval by the Legislative Council Committee, a lump sum amount of \$3,500,000, for design, engineering, and renovations required under this Lease. The Lessor agrees that if reimbursement is made by the Lessee under this section, that Lessor will provide to Lessee all plans, design, and engineering documents prepared by the Lessor or Lessor's contractors through the date the Lease was terminated
