NOW, THEREFORE LESSOR AND LESSEE AGREE that Lease 2004-024411-0 is hereby extended pursuant to AS 36.30.083 and amended pursuant to Legislative Procurement Procedure sec. 040(d) as follows:

Sec. 1 of the Lease is deleted and restated as follows:

1. **RENTAL PROPERTY AND RENTAL RATE**: The Lessor leases to the Lessee and the Lessee leases from the Lessor the Premises, hereinafter "Premises," described as follows:

Approximately 46,207 square feet of office space and 9,219 square feet of basement space which consists of all net rentable office space on the first through sixth floors and approximately 9,219 square feet of storage space in the basement, in the buildings located at 716 West 4th Avenue in Anchorage, Alaska at Lot 3A, Block 40, of the Original Townsite of Anchorage, according to the official plat thereof, Third Judicial District, State of Alaska, and 712 West Fourth Avenue described in the records of the Anchorage Recording District, Third Judicial District, as the West 39 and 1/2 feet of Lot (2), Block (40), Original Townsite of Anchorage.

and approximately 90 parking spaces consisting of all parking on the upper and lower parking garage at 716 West Fourth Avenue for a term of ten (10) years beginning June 1, 2014, and terminating at 11:59 p.m. on May 31, 2024. The Base Monthly Rental is _____ per square foot each month for rentable office space, and

_____ per square foot for basement space except that for the period of June 1, 2014, through October 1, 2014, or until the Lessee's final acceptance of the Premises, the Base Monthly Rental will be reduced to either the Lessor's actual cost of providing interim space to the Lessee or the square footage cost for office space as provided in Renewal of Lease Number 5 whichever is less, while the renovation is underway and prior to final acceptance of the renovated Premises by the Lessee. The Lessee shall not at any time pay rent on the portion of the Premises in 712 and 716 West Fourth Avenue until the Lessee's final acceptance of the Premises.

The rent shall be adjusted the first of July of each year beginning in 2014 to reflect changes in the Lessor's variable costs. Variable costs are defined as all operational costs other than debt service and profit and further defined for the purpose of the Lease as thirty-five percent (35%) of the Base Monthly Rental Rate. The adjustment will be based on the percentage of change, between 2013 and the calendar year before the calendar year of the adjustment, in the U.S. Department of Labor Consumer Price Index for all Urban Consumers, Anchorage Area (CPI-U). The Annual Adjusted Monthly Rental Rate will be computed as follows;

PERCENTAGE OF CHANGE IN CPI-U

(Annual average CPI-U for the calendar year preceding the year of adjustment) - (Annual average CPI-U for the calendar year XX (XX)) = x

x/Annual average CPI-U for the calendar year XX (XX)% = y%

ADJUSTED MONTHLY RENTAL RATE

[(35% x Base Monthly Rental Rate) x % of change in CPI-U] + Base Monthly Rental Rate = Adjusted Monthly Rental Rate.

[(35% x Base Monthly Rental Rate) x y%] + Base Monthly rental Rate = Adjusted Monthly Rental Rate.

Retroactive adjustments will not be allowed.

The monthly rental payments shall be due and payable on the first day of each month of the Lease and shall be sent by first class mail to the office of the Lessor whose address is listed above.

Execution of this Extension of Lease and Lease Amendment No. 3 was authorized by Legislative Council on June 7, 2013.

COST SAVINGS REQUIRED BY AS 36.30.083(g)

A minimum cost savings of at least 10 percent below the market rental value of the real property at the time of this extension will be achieved on the rent due under this Lease according to a broker's opinion of market rental value. (See Exhibit G; Executive Director's Cost Saving Calculation and Report to Auditor _____ AS 36.38.083(b)). Under AS 36.30.083(a), therefore, neither advance appropriation nor any other legislative approval of this extension is legally required. In addition to any other right of the Lessee

under this Lease to terminate the Lease, if, in the judgment of the Legislative Affairs Agency Executive Director, sufficient funds are not appropriated, the Lease will be terminated by the Lessee as of the date appropriated funds are exhausted, or amended by mutual agreement of the Parties. To terminate under this section, the Lessee shall provide not less than 90 days written notice of the termination to the Lessor.

Sec. 2 of the Lease is deleted and restated as follows:

Under the previous paragraph, the Premises (including, but not limited to restrooms), the reserved parking spaces, the common areas (including, but not limited to, restrooms and parking area), and subsequent alterations must meet the ADA compliance requirements as they apply to a public entity. The Lessee's acceptance of the Lessor's space and alterations and any inspection by the Lessee do not relieve the Lessor of responsibility for ADA compliance.

If these provisions on ADA compliance conflict with another provision in this Lease, these provisions govern.

In this section 2, "space" includes the Premises (including, but not limited to, restrooms), common areas of the building (including, but not limited to, restrooms), and the access to the Premises and common areas.

Prior to occupancy date, the Lessor must furnish an ADA Facility Audit Report from an architect registered to practice in the State of Alaska. Compliance shall be as applied to a public entity.

b. On the date of final acceptance of the Premises by the Lessee, all improvements shall conform to all applicable state, federal and local laws ordinances, codes and regulations pertaining to the Premises and any lesser standard set forth in this Lease shall not excuse Lessor from complying with such applicable law. The total cost of the Tenant Improvements shall be _____. The Lessor is encouraged to contact the Department of Labor and Workforce Development for more information about these and other related requirements.

If it is found that a laborer, mechanic, or field surveyor employed by the Lessor or the Lessor’s contractor has been or is being paid a rate of wages less than the rate of wages required by the Lease to be paid, the Lessee may, by written notice to the Lessor, terminate the Lessor’s right to proceed with the work or the part of the work for which there is a failure to pay the required wages and to prosecute the work to completion by contract or otherwise, and the Lessor and the Lessor’s sureties are liable to the Lessee for excess costs for completing the work.

33. **REMEDIES ON DEFAULT:** If the Lessee shall at any time be in default in the payment of rent, or in the performance of any of the terms of the Lease and shall fail to remedy such default within thirty (30) days after written notice of the default from the Lessor, the Lessor may retake possession of the Premises by an unlawful detainer action or other lawful means, and the Lease will terminate, without prejudice, however, to the right of the Lessor to recover from the Lessee all rent due up to the time of such entry. In case of any default and entry by the Lessor, the Lessor shall relet the Premises for the remainder of the term for the highest rent obtainable and may recover from the Lessee any deficiency between the amount obtained by reletting and the rent specified by the Lease.

If the Lessor shall at any time be in default in the performance of any of the terms or obligations of the Lessor under this Lease, the Lessee may fix the problem involved and deduct the cost, including, but not limited to, administrative costs, from the rent, if the Lessor fails to fix the problem within a reasonable time after Lessee notifies the Lessor in writing of the default. If the Lessee chooses not to fix the problem or cannot fix the problem, the Lessee may deduct from the rent the Lessee's damages, which are to be determined by the Lessee's Supply Officer; when deducting damages under this sentence, "damages" means either (1) the costs (including, but not limited to, administrative costs) of alleviating or adjusting to the problem, or (2) the diminution of the value of the Lease to the Lessee caused by the Lessor's default. Instead of pursuing the other remedies provided by this paragraph, if the Lessor fails to correct a default within a reasonable time after receiving written notification of the default from the Lessee, the

Lessee may terminate the Lease by giving 30 days written notice of the termination to the Lessor and may recover damages from the Lessor. This paragraph does not apply to a situation covered by sec. 28 ("Untenantability") or to the termination allowed under sec. 20 ("Wage-Related Requirements").

Sec. 34 of the Lease is deleted and restated as follows:

34. **INDEMNIFICATION**: The Lessor shall indemnify, save harmless, and defend the Lessee, and its officers, agents and employees from liability of any nature or kind, including costs, attorney fees, and other expenses, for or on account of any and all legal actions or claims of any character whatsoever resulting from injuries or damages sustained by any person or persons or property as a result of any error, omission, or negligence, of the Lessor that occurs on or about the rental Premises or that relates to the Lessor's performance of its lease obligations.

Sec. 35 of the Lease is deleted and restated as follows:

35. **INSURANCE**: Without limiting the Lessor's indemnification responsibilities under section 34 ("Indemnification"), it is agreed that the Lessor shall purchase at its own expense and maintain in force at all times during the Lease the following insurance:
- A. workers' compensation insurance as required by AS 23.30.045(d) for all employees engaged in work under the contract and as required by any other applicable law;
 - B. comprehensive general liability insurance covering all business Premises of, and operations by or on behalf of, the Lessor in the performance of the contract, including, but not limited to, blanket contractual coverage, products coverage, Premises and operations coverage, independent contractors coverage, broad form property damage endorsement, and personal injury endorsement; the policy must have minimum coverage limits of \$1,000,000 combined single limit per occurrence;

In addition, the Lessor must have the policy for the insurance listed in A. – B. above in effect before the Lease is fully signed and the Lessor shall submit to the Lessee a certificate of insurance for the insurance identified in A. – B. above. Each of the required insurance policies must provide for the Lessee to receive a 30-day prior notice of any cancellation. Where specific limits are shown above, it is understood that they are the minimum acceptable limits. If a policy contains higher limits, the Lessee will be entitled to coverage to the extent of the higher limits. All insurance policies must comply with, and be issued by, insurers licensed to transact the business of insurance in Alaska or in another state.

A Lessor who is an entity without employees may satisfy the workers' compensation requirements of this sec. 35 ("Insurance") by submitting a signed letter stating that the Lessor is an entity without employees and that if any time during the term of the Lease, including any renewals, one or more employees are hired, the Lessor will purchase at its own expense and maintain in force at all times workers' compensation insurance for the employee or employees and submit proof of the workers' compensation insurance to the Lessee.

All insurance required by this sec. 35 ("Insurance") shall be considered to be primary and non-contributory to any other insurance carried by the Lessee through self insurance or otherwise.

In addition to providing the above coverage, the Lessor shall require that any subcontractor provide and maintain for its employees workers' compensation insurance.

The Lessor shall provide evidence of continuous coverage by submitting, without reminder, a renewal certificate for the required insurance annually to the Lessee during the Lease.

Sec. 36 of the Lease is deleted and restated as follows:

36. **DELAYS IN PERFORMANCE:** If the Lessor delays in providing the Premises to the Lessee in a condition the Lessee determines satisfactorily meets the descriptions provided in the attached Exhibits A, C, D, and E by the deadline set in sec. 3 ("Renovation and Delivery of Premises"), the Lessor shall provide a written explanation for the delay in performance. The lessor may be excused from performance due to unforeseeable causes beyond the control and without fault or neglect of the Lessor. Unforeseeable causes may include but are not limited to: (1) acts of God, (2) public enemy, (3) acts of the state in its sovereign capacity, (4) acts of another contractor in the performance of a contract with the Lessee, (5) fires, (6) floods, (7) quarantine restrictions for epidemics, (8) strikes, (9) freight embargoes, (10) unusually severe weather conditions, and (11) delays unusual in nature by subcontractors or suppliers. Notification of such delays must be made to the Lessee's Supply Officer in writing within ten (10) days of the commencement of the unforeseeable cause. The Supply Officer shall ascertain the facts and the extent of delay and the extent of the time for completing the project. The Supply Officer may approve up to four (4) thirty (30) day extensions if, in the Supply Officer's judgement, the findings of fact justify an extension. The cause of the extension need not be unforeseeable to justify an extension. The Lessor shall provide written explanation for the delay in performance after the exhaustion of each extension. The Procurement Officer may terminate the Lease at any time after the four (4) thirty (30) day extensions if the Lessor has not provided the Premises to the Lessee in a condition the Lessee determines satisfactorily meets the descriptions provided in the attached Exhibits A, C, D, and E by the deadline set in sec. 3 ("Renovation and Delivery of Premises"). Pending final decision on an extension of time under this section, the Lessor shall proceed diligently with the performance of the Lease. Inability to comply with state or municipal construction or zoning laws or ordinances or restrictive covenants shall not be regarded as an unforeseeable cause. To terminate the Lease under this section, the Procurement Officer shall provide notice by e-mail or delivery of hard copy to the Lessor, whichever method is selected in the sole discretion of the Procurement Officer. The Procurement Officer shall provide thirty (30) days notice before terminating this Lease.

Sec. 37 of the Lease is deleted and restated as follows:

37. **HOLDING OVER:** At the Lessee's sole discretion, prior to the Lease expiration, the Lessee may provide a (60) day written notice to the Lessor informing the Lessor the Lease will be in hold over status for a period up to six months at the same monthly lease rate. At the Lessee's sole discretion, the Lessee may continue the tenancy after the initial six (6) month period but the monthly lease rate shall be at current market rate and the additional period may not exceed six (6) months. After a combined hold over period of one

year, tenancy shall be construed to be a month-to-month at the current market rate. All other terms and conditions specified by the Lease remain the same.

Secs. 38, 39, and 40 of the Lease are not amended.

Sec. 41 of the Lease is deleted and restated as follows:

41. **USE OF LOCAL FOREST PRODUCTS:** AS 36.15.010 requires that in a project financed by State money in which the use of timber, lumber, and manufactured lumber projects is required, only timber, lumber, and manufactured lumber products originating in this State from local forests shall be used wherever practicable. Therefore, if construction, repair, renovation, redecoration, or other alteration is to be performed by the Lessor to satisfy this Lease, the Lessor must use, wherever practical, timber, lumber, and manufactured lumber products originating in the State from local forests and only products manufactured, produced, or harvested in the state may be purchased if the supplies are competitively priced, available, and of like quality compared with products manufactured, produced, or harvested outside the state.

Sec. 42 of the Lease is deleted and restated as follows:

42. **LEASE AMENDMENTS:** In addition to any other amendment the parties may be allowed to make under the Lease, the terms of the Lease entered into may be amended by mutual agreement of the parties, if the Lessee determines that the amendment is in the best interests of the Lessee.

Sec. 43 of the Lease is deleted and restated as follows:

43. **AUTHORIZATION; CERTIFICATION:** Authority for the Chairman of Legislative Council to execute this Lease was authorized by a majority of the members of the Alaska Legislative Council at a meeting on June 7, 2013.

Funds are available in an appropriation to pay for the Lessee's monetary obligations under the Lease through June 30, 20XX. The availability of funds to pay for the Lessee's monetary obligations under the Lease after June 30, 20XX, is contingent upon appropriation of funds for the particular fiscal year involved. In addition to any other right of the Lessee under this Lease to terminate the Lease, if, in the judgment of the Legislative Affairs Agency Executive Director, sufficient funds are not appropriated, the Lease will be terminated by the Lessee or amended. To terminate under this section, the Lessee shall provide written notice of the termination to the Lessor.

Secs. 44 and 45 of the Lease are not amended.

The Lease is amended to add a new section to read as follows:

46. **HUMAN TRAFFICKING:** By the Lessor's signature on this Lease, the Lessor certifies that the Lessor is not headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

In addition, if the Lessor conducts business in, but is not headquartered in, a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in

Persons Report, a certified copy of the Lessor's policy against human trafficking must be submitted to the Agency prior to contract award.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <http://www.state.gov/g/tip/rls/tiprpt>.

If the Lessor is or becomes headquartered in a Tier 3 country, or fails to comply with this sec. 46 ("Human Trafficking"), the Lessee may terminate the Lease.

The Lease is amended to add a new section to read as follows:

47. **REIMBURSEMENT** The Lessor and Lessee agree that the Lessor's sole remedy under the Lease, in the event that the 28th Alaska State Legislature does not appropriate funds necessary to pay the Lease payments under sec. 1 of the Lease for Alaska State Fiscal Year 2015 and that the Lease is terminated, that the Lessee shall pay, subject to appropriation by the Legislature, and subject to approval by the Legislative Council Committee, up to a maximum of \$1,500,000, for design, engineering, and renovations required under this Lease, providing that the Lessor can provide documentation satisfactory in the sole judgment of the procurement officer, to support the Lessor's claim. The Lessor agrees that if reimbursement is made by the Lessee under this section, that Lessor will provide to Lessee all plans, design, and engineering documents prepared by the Lessor or Lessor's contractors through the date the Lease was terminated.

The Lease is amended to add a new section to read as follows:

48. **OPTION TO EXTEND LEASE** The Lessee may exercise an option under this section 48 to extend, as provided by AS 36.30.083, the Lease for up to 10 years following the May 31, 2024 end of the lease. To exercise this option, the Lessee shall give notice to the Lessor at least six (6) months before the end of the Lease of the Lessee's intent to negotiate with the Lessor to extend the Lease under AS 36.30.083. The Lessor shall respond within thirty (30) days to the Lessee stating whether the Lessor intends to negotiate an extension under AS 36.30.083 with the Lessee.
