d. Base Monthly Rental Adjustments

The rent shall be adjusted the first of July of each year beginning in 2014 to reflect changes in the Lessor's variable costs. Variable costs are defined as all operational costs other than debt service and profit and further defined for the purpose of the Lease as thirty five percent (35%) of the Base Monthly Rental Rate. The adjustment will be based on the percentage of change, between 2013 and the calendar year before the calendar year of the adjustment, in the U.S. Department of Labor Consumer Price Index for all Urban Consumers, Anchorage Area (CPI-U). The Annual Adjusted Monthly Rental Rate will be computed as follows:

PERCENTAGE OF CHANGE IN CPI-U

(Annual average CPI-U for the calendar year preceding the year of adjustment) - (Annual average CPI-U for the calendar year XX (XX)) = x

x/Annual average CPI-U for the calendar year XX (XX)% = y%

ADJUSTED MONTHLY RENTAL RATE

[(35% x Base Monthly Rental Rate) x % of change in CPI-U] + Base Monthly Rental Rate = Adjusted Monthly Rental Rate.

[(35% x Base Monthly Rental Rate) x y%] + Base Monthly rental Rate = Adjusted Monthly Rental Rate.

~~Retroactive adjustments will not be allowed.~~

If it is found that a laborer, mechanic, or field surveyor employed by the Lessor or the Lessor's contractor has been or is being paid a rate of wages less than the rate of wages required by the Lease to be paid, the Lessee may, by written notice to the Lessor, terminate the Lessor's right to proceed with the work or the part of the work for which there is a failure to pay the required wages and to prosecute the work to completion by contract or otherwise, and the Lessor and the Lessor's sureties are liable to the Lessee for excess costs for completing the work.

30. **LESSEE-INSTALLED ITEMS:** All fixtures and/or equipment of whatever nature that are installed in the Premises by the Lessee, whether permanently affixed or otherwise, shall continue to be the property of the Lessee and may be removed by the Lessee at any time, provided however, that the Lessee shall, at its own expense, repair any injury to the Premises resulting from such removal. However any conduit or wiring installed by the Lessee shall remain. Sec. 33 of the Lease is deleted and restated as follows:

33. **REMEDIES ON DEFAULT:** If the Lessee shall at any time be in default in the payment of rent, or in the performance of any of the terms of the Lease and shall fail to remedy such default within thirty (30) days after written notice of the default from the Lessor, the Lessor may retake possession of the Premises by an unlawful detainer action or other lawful means, and the Lease will terminate, without prejudice, however, to the right of the Lessor to recover from the Lessee all rent due up to the time of such entry. In case of any default and entry by the Lessor, the Lessor shall relet the Premises for the remainder of the term for the highest rent obtainable and may recover from the Lessee any deficiency between the amount obtained by reletting and the rent specified by the Lease.

If the Lessor shall at any time be in default in the performance of any of the terms or obligations of the Lessor under this Lease, the Lessee may fix the problem involved and deduct the cost, including, but not limited to, administrative costs, from the rent, if the Lessor fails to fix the problem within a reasonable time after Lessee notifies the Lessor in writing of the default. If the Lessee chooses not to fix the problem or cannot fix the problem, the Lessee may deduct from the rent the Lessee's damages, which are to be determined by the Lessee's Supply Officer; when deducting damages under this sentence, "damages" means either (1) the costs (including, but not limited to, administrative costs) of alleviating or adjusting to the problem, or (2) the diminution of the value of the Lease to the Lessee caused by the Lessor's default. Instead of pursuing the other remedies provided by this paragraph, if the Lessor fails to correct a default within a reasonable time after receiving written notification of the default from the Lessee, the Lessee may terminate the Lease by giving 30 days written notice of the termination to the Lessor and may recover damages from the Lessor. This paragraph does not apply to a situation covered by sec. 28 ("Untenantability") or to the termination allowed under sec. 20 ("Wage-Related Requirements").

Sec. 34 of the Lease is deleted and restated as follows:

34. **INDEMNIFICATION:** The Lessor shall indemnify, save harmless, and defend the Lessee, and its officers, agents and employees from liability of any nature or kind, including costs, attorney fees, and other expenses, for or on account of any and all legal actions or claims of any character whatsoever resulting from injuries or damages sustained by any person or persons or property as a result of any error, omission, or negligence, of the Lessor that occurs on or about the rental Premises or that relates to the Lessor's performance of its lease obligations.
